Nimap Infotech

Website - www.nimapinfotech.com

I would like to introduce our organization. We are located in Mumbai (Lower Parel).We have been into App Development and Outsourcing from 12+ Years. Our overall team is 200 +. This call is regarding to offer you a great training period + Job.

Training Period -
We provide 1 to 3 months training period with a stipend amount of worth Rs.10,000/- out of which Rs.5000/- will be fixed and Rs.5000/- will be variable. The variable depends on your performance.
The Training will be self learning. We will provide you with topics and tutorials. During the training period we will align you under the 'Best Mentor' who will guide you and evaluate your performance every month. On the basis of your training the mentor will rate your performance and the monthly final rating will define your variable amount.

Standard Package -
After the Training period your 2 years bond starts. The salary for that is mentioned below:

Year	Salary (in hand)
1st year	16,000/- per month (Inhouse project) 18,000/- per month (Client Side)
2nd year	25,000/- per month

After 2 years if you want to continue then the salary will be :

3rd year	35,000/- per month

And if you complete 3 years with Nimap Infotech you will get a Loyalty Bonus of 1,50,000/- . This loyalty bonus is divided into per month and per year.

Loyalty Bonus
For the 1st year the actual salary is Rs.22,000/- out of which Rs.16,000/- you will earn if you are working on Nimap InHouse Project + Rs.2000/- if you get placed at client side and the remaining Rs.4000/- will be maintain into your bucket Same for the 2nd year the actual salary is Rs.29,000/- out of which Rs.25,000/- will be in hand and remaining Rs.4000/- will be maintain into your bucket and for the 3rd year the salary is Rs.40,000/- out of which Rs.35,000/- will be in hand and remaining Rs.5000/- will maintain.

Interview Process
If you agree with above all Terms & Conditions you have to fill an application and then we will email you the assignment which you have to complete within 2-3 days.

 If your assignment is clear your technical round will be scheduled with the interviewer as per your both availability.

Once your technical interview is cleared, we will align your HR Round with our Co-Founder Mr. Sagar Nagda. This is the final round after this you will get to know if you are selected or not.

Note
1. The 2 years Bond is mandatory.
2. The day you join you will sign the 2 years bond and bond years will start after 3 months of Training.

3. Candidates should have knowledge in the Technology they are applying for.
4. Candidates should have their own laptop. As during the training period, laptops are not provided.
5. Now it's work from home. But after October they should be able to report to the office.
6. During Training period all Saturday's are working. After that 1st and 3rd Saturday will be off.
